**Welcome to a more cost effective way to collect payments from your online clients!**

If you're a small business with a requirement to collect online payments from your clients there is a good chance you are currently using either Google Checkout or PayPal. If you're using Google Checkout or PayPal you can save money by switching to Planetauthorize™ payment gateway. Planetauthorize™ will help you get paid faster - with reliable, safe and secure payment technology.

**Save Money with Planetauthorize™**

Google Checkout and PayPal have a sliding scale of charges while Planetauthorize comes with just one competitive fee. As you can see from the following comparison chart the Planetauthorize payment gateway, which includes a Capital Bankcard merchant account, offers a reliable payment service at a lower cost than Google Checkout and PayPal.

	Google Checkout	PayPal	Planetauthorize
Amount of sales per month			
\$0.01 - \$3,000.00	2.9% + \$0.30 USD	2.9% + \$0.30 USD	<b>2.19% plus \$0.25 (Over \$100,000.00 Call Us for custom rate)</b>
\$3,000.01 - \$10,000.00	2.5% + \$0.30 USD	2.5% + \$0.30 USD	
\$10,000.01 - \$100,000.00	2.2% + \$0.30 USD	2.2% + \$0.30 USD	
Over \$100,000.00	1.9% + \$0.30 USD	1.9% + \$0.30 USD	

Rates verified as at 1<sup>st</sup> December 2010. Rates subject to change without notice.

In fact, to achieve the same level of savings with either Google Checkout or PayPal your monthly sales volume must be over \$100,000.00.

**How Much Can I Save with Planetauthorize?**

Well let's say your average sale is \$100.00 here is what you will be charged by each of the payment gateway providers:

	Google and PayPal	Planetauthorize
Value of sale	\$100.00	\$100.00
Charges	\$3.20 (\$2.90 plus \$0.30)	\$2.44 (\$2.19 plus \$0.25)
Return to you after deductions	<b>\$96.80</b>	<b>\$97.56</b>

Rates verified as at 1<sup>st</sup> December 2010. Rates subject to change without notice.
