Welcome to a more cost effective way to collect payments from your online clients!

If you're a small business with a requirement to collect online payments from your clients there is a good chance you are currently using either Google Checkout or PayPal. If you're using Google Checkout or PayPal you can save money by switching to Planetauthorize™ payment gateway. Planetauthorize™ will help you get paid faster - with reliable, safe and secure payment technology.

Save Money with Planetauthorize™

Google Checkout and PayPal have a sliding scale of charges while Planetauthorize comes with just one competitive fee. As you can see from the following comparison chart the Planetauthorize payment gateway, which includes a Capital Bankcard merchant account, offers a reliable payment service at a lower cost than Google Checkout and PayPal.

	Google Checkout	PayPal	Planetauthorize
Amount of sales per month			
\$0.01 - \$3,000.00	2.9% + \$0.30 USD	2.9% + \$0.30 USD	2.19% plus \$0.25 (Over \$100,000.00 Call Us for custom rate)
\$3,000.01 - \$10,000.00	2.5% + \$0.30 USD	2.5% + \$0.30 USD	
\$10,000.01 - \$100,000.00	2.2% + \$0.30 USD	2.2% + \$0.30 USD	
Over \$100,000.00	1.9% + \$0.30 USD	1.9% + \$0.30 USD	

Rates verified as at 1st December 2010. Rates subject to change without notice.

In fact, to achieve the same level of savings with either Google Checkout or PayPal your monthly sales volume must be over \$100,000.00.

How Much Can I Save with Planetauthorize?

Well let's say your average sale is \$100.00 here is what you will be charged by each of the payment gateway providers:

	Google and PayPal	Planetauthorize
Value of sale	\$100.00	\$100.00
Charges	\$3.20 (\$2.90 plus \$0.30)	\$2.44 (\$2.19 plus \$0.25)
Return to you after deductions	\$96.80	\$97.56

Rates verified as at 1st December 2010. Rates subject to change without notice.
